201203 - Banksman - Reversing Vehicles Course details...

Course Length:

Half Day

Entry Requirements:

No entry requirements

Purpose of course:

Banksman training ensures that companies meet their legal requirements and reduce the risk of expensive accidents when carrying out reversing manoeuvres. Every year a number of fatalities and serious injuries occur on company sites and this course trains to reverse vehicles safely.

Objectives of the Course:

At the end of this course delegates will achieve the competencies required to:

- Reverse vehicles safely, either individually or as part of a team
- Carry out HGV reversing operations in a competent way
- Reduce the risk of injury to staff and members of the public
- Reduce the damage to vehicles and property caused by reversing vehicles

Who Should Attend:

The course is aimed at any banks-man responsible for assisting in the manoeuvring and loading and unloading of vehicles.

Course Content:

- Knowing and understanding the roles of the vehicle driver and the banksman in reversing operations
- Identification of areas of danger within sites
- Understanding the key issues arising from reversing and manoeuvring
- Identification of the areas of danger from reversing vehicles
- Demonstration of recommended HSE codes of signals and reversing procedures

Materials:

All delegates will receive course handouts and a certificate of achievement.
